

Jane Hales

Founder | Board Advisor | Co-founder
Mentor | Author

Helping founders reverse the Silent Sabotage that destroys founder value—the drift disguised as endurance that turns dream teams into divorces*. Jane Hales has 30 years of experience building and scaling agencies. She's the creator of the Aggression Escalation Model, an EO European Accelerator Expert, and founder of the Cofounder Accelerator Community. She writes from the perspective that "technical business problems are almost always state-of-mind problems in disguise.
